

Final

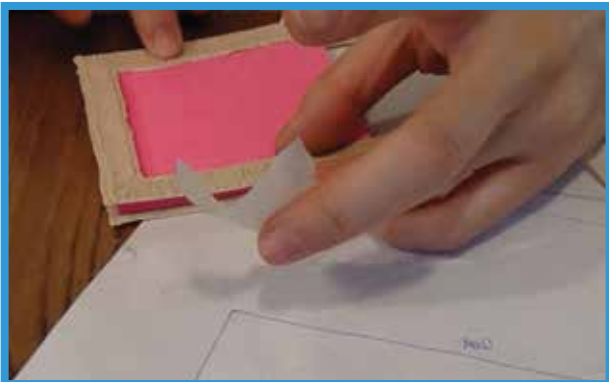

Step 1:

You will be making a sliding compartment. Doodle (A) twice and doodle only the outline!

Step 2:

Now doodle (B), this will be the slider. Outline it with thick lines and then doodle your design!

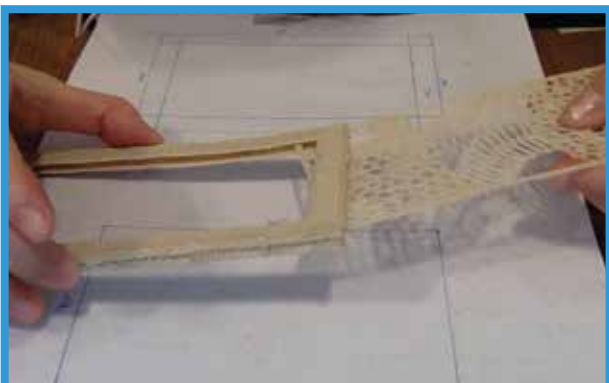

Step 3:

Get the two doodled (A) and face the smooth sides inside. Use post-its to place between the two and stabilize it with masking tape.

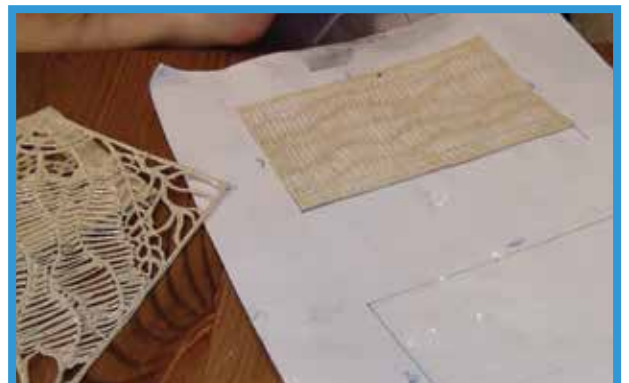

Step 4:

Evenly doodle around the sides.

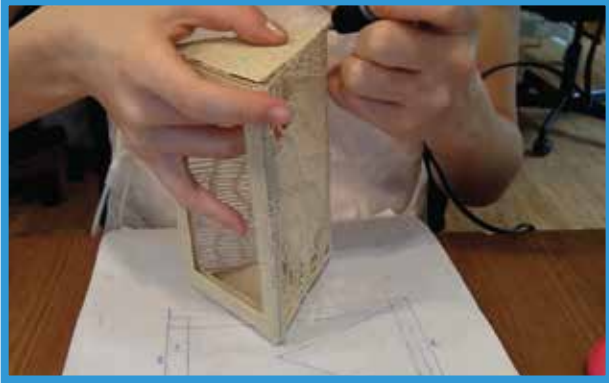

Step 5:

Make sure it slides nice and smoothly!

Step 6:

Doodle 2 more (A)s but this time, fill the whole thing in. Also doodle (C) and fill it up.

Step 7:

Doodle everything together in a triangular prism.

Step 8:

Finally, put the potpourri in!
